

**The Greater Tamarac Chamber of Commerce now offering
a Small Business Referral Program**

COMCAST BUSINESS

This exciting new Chamber program is designed for our Member businesses to get the latest and greatest advanced business technologies which meet your demands, scalability to grow with your business, and value to save you money!

Not only will you have the opportunity to take advantage of these business services, but you will also be earning extra money for your Chamber!

Why Comcast Business Class?

- Fastest internet speeds to help improve productivity
- Cloud Services from Microsoft to help reduce IT support cost and eliminate the need for an in-house server
- Norton Business Suite to help protect against viruses and spyware
- Reliable phone service with advance call-management and mobility application
- A variety of informative and entertaining business TV options
- 24/7 Business Class Support from a local team; dedicated business-only support

To start saving money AND enable the Tamarac Chamber of Commerce to earn incremental revenue on each referred member, email info@TamaracChamber.org to get set up today!

You'll be contacted by a local Business Class sales representative to complete the order.
